

How the UR Office increases academic diversity and success.

Amelia Ashby, UR Student Assistant
Alexa Sand, VP of Research
Athena Dupont, UR Program Coordinator

Office of Research

The Undergraduate Research (UR) Program at USU **promotes student excellence** and offers support to every individual at USU.

research.usu.edu/undergradresearch/

How does involvement in undergraduate research promote student success?

- Predicts higher GPA
- Promotes degree aspirations
- Enhances critical thinking
- Provides support for those prone to student attrition

How can the UR Office help you reach these goals?

- Find a Student/Find a Mentor forms
- UR Orientations on UR basics
- Undergraduate Research and Travel Funding
- Research Fellowships for Undergrads and Graduates
- Faculty Support/Awards

We coordinate with:

- Admissions
- Honors
- Distance Education
- Every College
- Inclusion Center
- Career Services
- And more!

How can you get involved?

Students	Faculty	Staff
URCO application	URCO reviewing	Recommend students
Presentation Opportunities	Mentoring Awards	Spreading awareness
UR Travel Fellowships	SRS Judging	CUR
